A WONDERFUL
TOUCH OF NATURE

Collection III&IV

A composite material featuring a combination of steel-plastic composite and film lamination, engineered for enhanced performance.

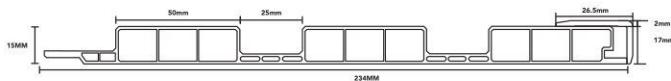

Advantages:

- moisture proof
- high strength
- anti-corrosive
- anti-bacterial
- anti-termite
- easy installation
- low cost compare to wood

Collection III

SIZE
[W] 234MM [T] 15MM [L] 2900MM **QUANTITY**
